

ASSEMBLY INSTRUCTIONS

Thank you for your purchase.

Please read these instructions carefully before you start assembling your green house.

Please refer to the checklist below and make sure none of the parts / screws are missing or defective. If you find parts or screws missing or defective, please contact us immediately.

Installation Tips:

Comes with 4 sets of strings and pegs.

Extra 10cm cover length-

Use sand to act as weight to prevent cover from flying off and bugs from flying in.

Note: In extreme windy conditions, it is recommended to relocate the greenhouse to a location that is not exposed to such strong winds.
